FILE No. 223 of 1905-06.

Purchase of the Wesleyan Mission Boys' School, Mysore, and the proposed improvements to the same.

To the Secretary, Public Works Department, No. Fl. 5182, dated 19th February 1906.

Refers to his memo dated the 30th May 1905, regarding the purchase of the Wesleyan Mission Boys' School at Mysore, forwards the file relating to it with His Highness' orders thereon, and requests him to point out the source from which the amount payable to Revd. Mr. Sawday for the school building is to be met and whether there is provision therefor in the Public Works budget and if there be no provision for it, enquires if the amount cannot be met by reappropriation.

From the Secretary, Public Works Department, No. 175—1186, dated 23rd February 1906.

Suggests for reasons given that the amount may be met out of the provision of Rs. 30,000 for the Shimoga town drainage in the Civil budget for the current official year.

To B. K. Venkata Varada Iyengar Esquire,
Secretary to the Government of His Highness
the Maharaja of Mysore,
General and Revenue Departments.

SIR,

In reply to your letter no. Gl 5782 dated the 19th instant, asking me to point out the source from which the sum of Rs 19,000 payable to Rev. Mr Sawday for the purchase of the Wesleyan Mission Boys' School at Mysore can be met, I have the honour to inform you that there is no provision for the work in the current year's P. W. Budget and that it is not possible to find the required money by reappropriation of the grant sanctioned for that budget.

2. There is however an allotment of Rs. 30,000 for the Shimoga Town Drainage in the Civil Budget for the current official year. A project for this work amounting to over 3¼ lakhs has lately been received from the

Superintending Engineer that it is out of the question to spend more than 1/4 to 1/3rd of this sum for the drainage of such an insignificant town I intend going to Shimoga in a week or two and work them see if the project can be reduced to a reasonable figure. It will take about 4 or 5 months probably to revise the whole project on entirely new lines. and there is no probability of the allotment of Rs 30,000 referred to above being worked out during the current year. A portion of it may, therefore, be utilized to meet the present demand for purchasing the Wesleyan Mission Boys' School at Nagpore.

(3) Of the three files received with the above letter, two are returned herewith, while the third has been submitted to Dewan in connection with a Supplemental Estimate received for the formation of the Curzon Park
